

# COMMUNITY WORKSHOP: Tackling litter in the Hunter Region

Wed  
13 Sept  
2017

**Are you fed up with litter in your local area? Or maybe you're part of a group who is already doing something to clean up your neighbourhood, and could do with some extra funds. This free workshop can help you learn how to be part of the solution and make a difference.**

## Who is this workshop for?

Local businesses, councils and representatives from industry, community, school and sporting groups are invited to attend.

Be informed and inspired to take action as you hear from speakers from NSW EPA, KNSWB, Hunter Councils and Cross Connections Consulting/Plastic Police Partnerships. See static displays and undertake a litter check under guidance.

This innovative workshop will provide you with the opportunity to learn how to:

- identify local litter hotspots, with tips and hands-on training on how to undertake a litter check
- access funding for litter reduction projects
- collaborate with industry and other stakeholders in your local community
- initiate litter reduction projects and progress to completion
- collaborate and connect with others to make a difference.

## When:

Wednesday 13 September

## Arrive:

8.45am – 9.00am

## Workshop:

9.00am – 1pm

[Register >](#)

## RSVP:
